## PROVING CONTRARIES": A COLLECTION OF WRITINGS IN HONOR OF EUGENE ENGLAND

[DOWNLOAD](#)

Signature Books, 2005. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1560851902 In honor of the late BYU Professor Eugene England (1933-2001) , friends and colleagues have contributed their best original stories, poems, reminiscences, scholarly articles, and essays for this impressive volume. In one essay, "Eugene England Enters Heaven," Robert A. Rees imagines his friend being welcomed into heaven by the Savior. Rees then imagines England "organizing contests between the Telestial and Celestial Kingdoms, leading a theater tour to Kolob, and pleading the cause of friends still struggling in mortality. This," he concludes, "is the image I have of Gene, that I hold in my heart." from the dust jacket: Douglas Thayer writes about an atheist who believes in miracles. Karen Rosenbaum portrays a university student who is a closet believer (and sometimes a closet doubter). This kind of honesty portraying believable characters?in avoiding stereotypes and easy answers?comes from a lifetime of writing and thinking deeply about life. The same applies to the non-fiction writers represented in this anthology. Dennis Marden Clark tells of following an inner compass to embrace pacifism but agonizing over the LDS Church?s history of militancy. Yet, in a close reading of LDS scripture, he has found much in the way of support for his position. This kind of life-informed erudition would have made his friend Eugene England proud. Other essays pursue this topic of a lone scholar or independent thinker going against prevailing currents, not out of contrariness but due to personal conviction. Frances Menlove was with the Red Cross in New York City after 9/11. Her colleague, a BYU-Idaho professor, says "the common notion about there being no Democrats in Idaho is entirely false. On the contrary," he says, "there are thirty-eight Democrats in Idaho and [I am] one of them." What...
