Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

THE BLACK STONE

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, The Black Stone, Nick Brown, AD 273. Obsessed by the solar religions of the east, the emperor Aurelian sets out to obtain every sacred object within his realm. But one - a mysterious rock said to channel the power of the sun god - lies beyond his reach. Warrior-priest Ilaha has captured the legendary stone and is using it to raise an army against Rome. For Imperial agent Cassius Corbulo and ex-gladiator bodyguard Indavara, stopping him constitutes their greatest challenge yet. Assisted by a squad of undercover soldiers and a Saracen chieftain, they trek south across the deserts of Arabia, encountering sandstorms, murderous money-lenders and a ruthless German mercenary. And when they finally reach Ilaha's mountain fortress, they face thousands of warriors who will give their lives to protect him .and the black stone.
