Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

Vandrør Mod Lyset. Paperback. Book Condition: new. BRAND NEW, Some Psychic Experiences and Their Results, Johanne Agerskov, Michael Agerskov, This is an account of some of the personal psychic experiences of Johanne and Michael Agerskov, which eventually led to the prodigal son's return to God and the subsequent publication of the three transcendental works known collectively as the 'Books of Toward the Light'. In recounting those experiences, the author sought to demonstrate to the logical mind that the human spirit transcends death, and that behind the visible world there are invisible intelligences from another dimension who can intervene to bring us knowledge of the transcendental world.
