Brand New Book ***** Print on Demand *****.Excerpt from Biennial Report of the State Geologist: 1919-1920 The act establishing the present North Carolina Geological and Economic Survey was passed by the General Assembly of 1905 and amended by the General Assemblies of 1909 and 1917, and outlines in some detail the character and extent of the work to be undertaken and carried out by this department of the State. As stated in the act, the work is as follows: 1. The examination of the mineral, forest, fishery, and other resources of the State. 2. The examination of the geological formations of the State with reference to their economic products. 3. The examination of the road building materials and the best methods of utilizing same. 4. The examination and classification of the soils and forests and other physical features of the State, with special reference to their bearing upon the occupations of the people. 5. The examination of the streams and water powers of the State, with special reference to their development in manufacturing enterprises and the preservation of the sources of these streams through the protection of the forests.
