Filesize: 4 MB

### ***Reviews***

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Juliet Mertz)*

## THE WICKED SON

Createspace, United States, 2012. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The wicked son of the Passover service asks what the service means to the other congregants. Because the question itself implies that he is not part of the group, he is told that had he been in Egypt during the exodus, the Lord would not have saved him. This book is about skepticism and the price the skeptic pays for questioning the views of others. Yes, it s true. The heavens have opened up, the seas have parted. The world as we know it is gone forever. That is what the Coosa sisters tell Dr. John Aster, a psychiatrist. It is immediately evident to him that they are delusional, but he doesn t really understand--he questions them-- why they share the same delusion. He arranges for them to be hospitalized, separately, so that without the support of each other their delusion will fade. As a punishment, Oona Coosa, before leaving his office hands him a magical card that transports him to another world, Wendle. Wendle is a wonderful and wacky place where magic works, and where Dr. Aster finds that he has special magical powers, which, unfortunately, he cannot control. Nevertheless, his coming is accepted by everyone as fulfilling a prophecy. He is just in time to save the world, everyone believes. He is joined first by Pinzle, whose single magical ability is to conjure beer. He personal tragedy, he reveals, is that he was a foundling, found in a tree; and he is umbilicusless, that is, he has no belly button. When the Castle of Doom springs up magically in front of them, they encounter the proprietor, the Ebony Warlock and his assistant Aargh. Captive...
