Notes on U. S. Government and Administration (Classic Reprint)

By W W Willoughby

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Notes on U. S. Government and Administration The necessity that American youths should be made acquainted not only with the leading events connected with the history of their country, but also be taught something in regard to the nature and workings of the Government under which they live, is now well recognized. In the Grammar Schools (8th grades) of Washington, to meet such a want, there has been introduced a course in history of political parties and forms of central and local government in the United States. As a teacher in one of these schools, one of the authors has found himself considerably handicapped by the impossibility of obtaining a text-book covering the ground of the course prescribed, and suitable either for his own use or for use by the scholars. He has been obliged to collect information from various sources, and give it to his class largely by dictation. The only attempts which have been made to supply this want have been text-books on Civil Government, which have been merely expositions of the Constitution,...
