Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Educated privately, she developed a talent for illustration and watercolouring and attended the Royal Academy of Arts and Bedford College in London. She exhibited widely and contributed a number of detailed drawings to the amphibia and reptiles volume of the Cambridge Natural History (1899). She worked in a variety of relief organisations, painted and wrote, and collected folklore and folk art. Her work was of genuine anthropological significance; she contributed frequently to the journal *Man* and became a Fellow of the Royal Anthropological Institute. Her writings, however, were to earn her particular fame. She wrote seven books on Balkan affairs, of which *High Albania* (1909) is the best known. It is still regarded as the pre-eminent guide to the customs and society of the highlands of northern Albania. Amongst her other works are: *Through the Lands of the Serb* (1904), *The Burden of the Balkans* (1905), *The Struggle for Scutari* (1914) and *Twenty Years of Balkan Tangle* (1920).
