THE PERFECT WAGNERITE A COMMENTARY ON THE NIBLUNGS RING DOVER BOOKS ON MUSIC, T1707

Dover Publications. Paperback. Book Condition: New. Paperback. 136 pages. In reading through this German version of my book in the Manuscript of my friend Siegfried Trebitsch, I was struck by the inadequacy of the merely negative explanation given by me of the irrelevance of Night Falls On The Gods to the general philosophic scheme of The Ring. That explanation is correct as far as it goes; but, put as I put it, it now seems to me to suggest that the operatic character of Night Falls On The Gods was the result of indifference or forgetfulness produced by the lapse of twenty-five years between the first projection of the work and its completion. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
