Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.These are journals for both writers and artists. Some pages are blank so that you can draw, doodle, paste pictures, or construct a map of the interior of your mind. Other pages are lined with a teeny-tiny version of a great work of literature. That s where you write your thoughts. A journal is the cheapest form of psychiatry. It s a dear friend who actually won t repeat your secrets. A journal doesn t care how you spell botulism. It won t call the police if you threaten to murder your co-workers. It won t laugh if you share your fantasy of someday winning the Pulitzer and the Nobel Prize on the same day. A journal doesn t mind if it becomes messy, dog-eared, and scribbled as long as it is always within reach.
