Dragon Realm Publishing, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Deep within the library there are secrets untold, hidden within the pages of the books it protects. Some say it is old magic, some say it is a curse, but they all say that once a generation, the door will open and the one who enters will live out the story in one of its novels. 18 yr old Landria expects to spend a dull summer at her aunt and uncle s house. That is until she stumbles upon a dusty, unused library and finds her way into the pages of an erotic novel. Attacked within moments of entering the story, she is rescued by the hero, Lord Nicholas Waring, who intrigues her more than she wishes. Once she finds herself back home she cannot forget him. When he follows her into her world and they fall in love, will they be forced apart by the words already written or can they rewrite their story? Through the Library Door is the fourth Library Tale, but it is also the first in The Markham Library series. Library Tales are disconnected tales involving erotica and libraries. Some involve BDSM, some do not. The first three are between 4,000-15,000 words. The Markham Library series is about a private library belonging to the Markham family. Within this library the heroine or hero of each novella/novel finds her or himself thrust into the storyline of one of the novels it contains. This book contains adult subject matter that some may find objectionable: including, but not limited to spanking/BDSM themes.
