Reviews

It is one of the most popular ebook. It usually fails to price an excessive amount of. It has been printed in an extremely basic way in fact it is merely right after I finished reading through this book in which really altered me, change the way I believe.

Digital Leaf. Paperback. Book Condition: new. BRAND NEW, My Monster Mayhem, Anita Pouroulis, Digital Leaf, Sholto Walker, The little girl in this book has a problem: her house is overrun with all kinds of horrible monsters and they're getting her into trouble! She battles against them heroically but mum doesn't understand why she does it; she even thinks her daughter's being naughty. Can you imagine! This lively, imaginative picture book is written by Anita Pouroulis and illustrated by Sholto Walker. It's theme is the great imagination of children (which sometimes becomes the great white lie!). The weird and wonderful monsters of this book are not really dangerous or scary even, though they aren't the prettiest creatures in the world. A perfect Halloween treat or for any occasion where you're feeling a little brave.
