AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This series is different from others as far as theme is concerned for the following reasons: it takes place in the 1940 s, a time few young people are even aware of, the two main characters knew each other someplace before this is up to reader s interpretation and imagination as to whether this is a past life, or their previous planet really exists, unrealistic situations are placed amid the realistic and even depressionesque situations of World War II. A couple fantastical characters make an appearance- they are good. I don t know what to compare it to, because I don t think there s anything else like this out there. Young girls are longing for something that lets them exercise their imagination and introduce them to a time with which they re completely unfamiliar, a Quaker girl and a foreign girl create things magic in the realm of New York City which are mysterious and at times scary. I don t know what kind of writing this is, except that I love it, I dream it, I drink it, I breathe it, and I wish it were in print, now, May I present Under Aldebaran.
