

The Treason of Isengard: The History of the Lord of the Rings: Pt. 2

Filesize: 7.22 MB

Reviews

The most effective pdf i ever read. it absolutely was writtern extremely flawlessly and useful. I am very easily will get a pleasure of reading through a published book.

(Prof. Vidal Ledner)

THE TREASON OF ISENGARD: THE HISTORY OF THE LORD OF THE RINGS: PT. 2

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Treason of Isengard: The History of the Lord of the Rings: Pt. 2, Christopher Tolkien, J. R. R. Tolkien, The second part of The History of The Lord of the Rings, an enthralling account of the writing of the Book of the Century which contains many additional scenes and includes the unpublished Epilogue in its entirety. The Treason of Isengard continues the account of the creation of The Lord of the Rings started in the earlier volume, The Return of the Shadow. It races the great expansion of the tale into new lands and peoples south and east of the Misty Mountains: the emergence of Lothlorien, of Ents, of the Riders of Rohan, and of Saruman the White in the fortress of Isengard. In brief outlines and pencilled drafts dashed down on scraps of paper are seen the first entry of Galadriel, the earliest ideas of the history of Gondor, and the original meeting of Aragorn and Eowyn, its significance destined to be wholly transformed. The book also contains a full account of the original map which was to be the basis of the emerging geography of Middle-earth. This series of fascinating books has now been repackaged to complement the distinctive and classic style of the 'black cover' A-format paperbacks of The Hobbit, The Lord of the Rings, The Silmarillion and Unfinished Tales.
