

Tangled Gardens Coloring Book: 52 Intricate Tangle Drawings to Color with Pens, Markers, or Pencils

Filesize: 7.62 MB

Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Janie Wilkinson)

TANGLED GARDENS COLORING BOOK: 52 INTRICATE TANGLE DRAWINGS TO COLOR WITH PENS, MARKERS, OR PENCILS

Rockport Publishers Inc., United States, 2016. Paperback. Book Condition: New. 255 x 215 mm. Language: English . Brand New Book. Color in 52 tangle garden designs and create beautiful art while relaxing your mind. Color your way to relaxation and make beautiful art, too! That's what you get with the Tangled Gardens Coloring Book. Filled with 52 tangle artwork originals from artist Jane Monk, the book offers images inspired by an imaginary stroll through an elaborate garden. Coloring in the pages reveals flowers, bugs, and hidden creatures. Inside a calm pond you'll color in glimmering fish, floating lilies, and darting dragonflies. There's even a tangled map to guide you through the color garden. Tangled Gardens Coloring Book begins with a basic color theory lesson and offers some techniques for using various types of colored pencils, pens, or markers to color in the designs. Monk teaches skills such as shading and blending, highlighting, and developing textures and backgrounds. Each of the 52 designs is printed on a page with a blank back, so you can remove the art from the book for framing when you're through. Unlike painting, you don't need to have the skills or training of an artist to create masterpieces. Thanks to the design of the Tangled Gardens Coloring Book, all you need to do is pick the colors you prefer and color within the lines. You'll temporarily disconnect from the everyday hustle and bustle, escaping to a world filled with creativity, inspiration, and serenity. The act of coloring is actually a calming activity that soothes and relaxes the brain, helping to reduce stress levels, elevate focus, and promote an overall sense of well-being. So, sharpen those colored pencils and prepare to relax.
