Because however big your dreams may be, I love you more, times two. As a young mother and aging granddaughter, Shawn Finger found that a warm blanket was a welcome comfort to both her toddler son and grandmother. Her poem, One More Blanket, was written to honor this moment, when spending time by the bedside of two of her favorite people brought so much comfort to her too. Nine years after it was originally written, the poem has been reimagined into a children s book and brought to life through the design and illustration talents of friend and fellow blanket-lover, Kim Grimm. One More Blanket is both a bedtime story to inspire dreams and a love story to instill security, comfort and courage in the pursuit of those dreams. A portion of the proceeds from every first edition copy of One More Blanket will be donated to Project Linus, a non-profit organization that provides new, handmade blankets to seriously ill or traumatized children who are in need of a sense of security.
