WOMAN AND LABOUR

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is necessary to say a few words to explain this book. The original title of the book was Musings on Woman and Labour. It is, what its name implies, a collection of musings on some of the points connected with woman's work. In my early youth I began a book on Woman. I continued the work till ten years ago. It necessarily touched on most matters in which sex has a part, however incompletely. It began by tracing the differences of sex function to their earliest appearances in life on the globe; not only as when in the animal world, two amoeboid globules coalesce, and the process of sexual generation almost unconsciously begins; but to its yet more primitive manifestations in plant life. Many large facts surprised me in following this line of thought by their bearing on the whole modern sex problem. Such facts as this; that, in the great majority of species on the earth the female form exceeds the male in size and strength and often in predatory instinct; and that sex relationships may assume almost any form on earth as the conditions of life vary; and that, even in their sexual relations towards offspring, those differences which we, conventionally, are apt to suppose are inherent in the paternal or the maternal sex form, are not inherent-as when one studies the lives of certain toads, where the female deposits her eggs in cavities on the back of the male, where the eggs are preserved and hatched; or, of certain sea...
