Date :2011-4-1. First. the selection focus on new, interesting and informative. Synchronization of the article topic. targeted. Book written materials system main line to the center unit topic. related topics as the basic point to choose article. Around the central topic of the article is selected to start. both to help students better understand the unit content of the topic. but also to broaden the horizons of students. Book reading materials selected from the most recently published English books, magazines, newspapers, and some well-known English sites. Interesting content related to celebrities, cultural and sports tourism environment, scientific knowledge, political economy, history, geography, literature, arts, food and culture. Selection of new, authentic English, contemporary and strong. Second, set the focus on diversity and practicality of the subject. This book focuses on improving students to use English to obtain information, process information, analyze problems and solve problems. Book reading comprehension questions mainly to select the type of topic and task-oriented topics. This is the English test in reading comprehension two most common kinds of questions. I believe the students through intensive training, can improve reading comprehension. Third, the difficult notes, analytical focus on guiding the answer. Contents: unit 1 how often do you exercise unit 2 what's the matter unit 3 what are you doing for vacation unit 4 how do you get to school unit 5 can you come to my party unit 6 I'm more outgoing than my sister unit 7 how do you make a banana milk shake unit 8 how was your school trip unit 9 when was he born unit 10 I'm going to be a basketball player unit 11 could you please clean your room unit 12 what's...
