

Economics: A Primer for India

Filesize: 3.04 MB

Reviews

Definitely one of the best ebook We have possibly go through. It usually does not charge a lot of. I am just pleased to inform you that this is actually the greatest ebook i have got study in my own lifestyle and may be he greatest publication for actually.

(Ms. Patsy D'Amore III)

ECONOMICS: A PRIMER FOR INDIA

DOWNLOAD

Orient BlackSwan, New Delhi, India, 2012. Softcover. Book Condition: New. Economics: A Primer for India is tailor-made for foundation courses in undergraduate programmes. Its pedagogic standpoint is based on two convictions. First, a foundation course need not invoke formal economic theory which is a contested terrain, especially at the present time. Second, such a course should be grounded on the empirical reality of the economy in which students live. Through an intuitive approach that combines concepts with history, accounting and data, the primer allows the reader to discover economic processes and institutions. The economic structure of society as three inter-dependent systems, namely production, markets and money, is brought to relief. The process of economic growth as change in this structure will then be evident, as also the critical role of policy in guiding growth. Basic concepts and measures are explained with data from original sources. Printed Pages: 296.
