It's no secret that the center of Christianity has shifted from the West to the global South and East. While the truths of the Christian faith are universal, new contexts bring new questions, new understandings, and new expressions. What does this mean for theology? Is the Christian faith not only culturally translatable, but also theologically translatable?...

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
