Createspace, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In writing this story of Abraham Lincoln, the author depended primarily on Lincoln s own statements and on the statements of his family and friends who had firsthand knowledge of his everyday life. In instances when dialogue had to be imagined, the conversation might logically have taken place in the light of known circumstances. Such descriptive details as were necessarily added were based on authentic accounts of pioneer times.Notice: This Book is published by Historical Books Limited (as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to This book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via.
