SonShine for the Heart is a compilation of short stories (and some not so short) speaking about childhood dreams, adulthood, growing old, and everything in between. You will feel the joy when you see the decorated downtown Christmas windows through the eyes of a child, and you will experience a childhood wish come true! It will jar your memory to your first puppy love and make you realize how blessed you are if you have experienced the real thing! This book speaks to the joy of having children as well as the pain of losing one by miscarriage. Seeing the beauty in mama s eyes and watching her go from being vibrant and independent and then regress to a child-like state because of dementia. These journeys are true. They express the value of having friends to share your experiences with, and losing friends that you thought you could never live without! Some of these stories will make you laugh and some will make you cry. But in these and in all of life s situations, this book will show you that with God you can have the victory and be triumphant! SonShine for the Heart is a book of stories that lets the SonShine in your heart, to give you hope, to inspire and transform your life. Laura L.
