Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

WRIGLEY FIELDS LAST WORLD SERIES THE WARTIME CHICAGO CUBS AND THE PENNANT OF 1945

Lake Claremont Press. Paperback. Book Condition: New. Paperback. 321 pages. Dimensions: 8.5in. x 6.0in. x 0.7in. 2014 season marks the 100th anniversary of Wrigley Field, baseball's second oldest ballpark. I don't care who wins, as long as it's the Cubs! --legendary announcer, Bert Wilson, WIND On the eve of World War II, baseball truly was America's national pastime. Little could anyone predict the changes and sacrifices that would be imposed on the sport during the early 1940s. As the war was coming to an end in 1945 and a jubilant mood was overtaking the country, baseball was back in full swing and the Chicago Cubs were on top of their game. How did the Cubs clinch the pennant in 1945 and go to the World Series? Simply, they fielded, hit, and pitched better than any other team in the league. How did they then lose the championship to the Detroit Tigers, a team with one of the most mediocre records in pennant history? And why haven't they been back since? One thing is clear: 1945, the last time the Cubs went to the World Series, was a turning point in the team's fortune. For in the first half of the twentieth century, few teams were as good as Chicago; in the second half, few teams were as bad. Between 1900 and 1945 the Chicago Cubs won the National League pennant ten times and had more first division finishes than any other team in the league and only one last-place finish. Between 1946 and 1990, the Chicago Cubs finished in the National League basement nine times, and went 20 consecutive seasons in the second division between 1947 and 1966. Charles N. Billington's fast-paced narrative of this historic season includes an inning-by-inning account of critical games, highlights of winning streaks and road...
