Each poem, each prose piece, each story, carries medicine for the reader. It includes lessons I personally learned from the animals, birds, insects, and human beings that crossed my path. These lessons are inclusive of my strengths and weaknesses, my talents and gifts, my vision and purpose, and my place in life. Earth's creatures are healing in that they soothe the spirit and empower the will. The truth needs no explanation just reflection. May this book enrich the lives of all of you who read it and may you feel my love as you journey along with me. This item ships from multiple locations.
