The siblings as well as the whole village are prepping for the upcoming festival, the most important festival of the country. This is the most joyful time of the year when the residents of Arkenvale reminisce about the battles they have fought and the victories they have celebrated throughout the centuries. The robust army of the nation had fought bloody battles to keep their homeland safe, and the festival honoured their bravery and sacrifice through a daylong feast and merriment. The merriment will, however, be cut short unexpectedly as raging fireballs came flying down from the sky, burning the whole village to the ground. Brin and Tia escaped just in time, and set out to search for their father, who was an officer in the army and had gone to fight off the invaders. The siblings went up one of the two hills to look for their father and to find a place of safety. But they discover something ghastly upon arrival. What did they find there? Did they find their father? Read on to begin an epic journey and get to know about Arkenvale's fate. Scroll up and get a copy TODAY.
