Neptune s Trident

By Scott William

Alpha Psi 1246 Publishing Co., Ltd, United States, 2015.
 Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.One of the civilized world s greatest scourges is on the rise again. Piracy has again cropped up in every sea and ocean, and the over-stretched navies of the world, including the United States, don t have the resources to stop it. When two United States congressmen suffer tragic losses to their family at the hands of pirates, an old solution with a unique twist is tried. The U.S. Congress, in cooperation with the President of the United States, grant constitutionally authorized licenses to kill called Letters of Marques and Reprisal to the Australian Secretary General of the United Nations to form a small, elite group of twelve specialist to enforce the Laws of the Sea Treaty established by UN. The objective: go where the US can t, find the pirates and, when possible, bring them back to the US for prosecution. And thus, Project Neptune is born. With their pick of Special Forces operators from the world s armies, they pick the best of the best selecting Brandt Buck Kohl, Lt., U.S....
