Leave No Sisterbehind Publications, United States, 2009. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dr. Odessa Moton presents readers with an honest look at the current condition of today s church, and its leadership accountability. She shines light on moral decline and immoral activities that comfortably plague the body of Christ. She implores readers not to accept it, but radically stand together as one force in order to effectively fight against sin and bring reverence back to the pulpit. As a Minister, she pleads with the offender to turn and repent. Also, Dr. Moton boldly sounds the alarm and charges God s leaders to accept their responsibility: Standing watch over His people. She believes that they are called to protect the innocence of His little ones and keep them from falling into the hands of Predators (false leaders who prey upon innocent people and take advantage of them). Predators And The Pulpit describes in detail how Predators operate, who they target, and what attracts them. For those that are considering entering in ministry (of any form), alert your spirit by reading this book. You will never be more inclined to watch and pray.
