John Wiley Sons Inc, United States, 2013. Paperback. Book Condition: New. 3rd ed.. 279 x 216 mm. Language: English . Brand New Book. The new 3rd edition of Cynthia Young's Algebra Trigonometry continues to bridge the gap between in-class work and homework by helping readers overcome common learning barriers and build confidence in their ability to do mathematics. The text features truly unique, strong pedagogy and is written in a clear, single voice that speaks directly to students and mirrors how instructors communicate in lectures. In this revision, Young enables readers to become independent, successful learners by including hundreds of additional exercises, more opportunities to use technology, and a new themed modeling project that empowers them to apply what they have learned in the classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany Algebra Trigonometry 3e offer additional tools to help users experience success.
